\$10 Note

Issued 2006 - Present

All U.S. currency remains legal tender, regardless of when it was issued.

Key Security Features

Security Thread

Hold the note to light to see an embedded thread running vertically to the right of the portrait. The thread is imprinted with the text USA TEN and a small flag in an alternating pattern and is visible from both sides of the note. The thread glows orange when illuminated by ultraviolet light.

Watermark

Hold the note to light and look for a faint image of Secretary Hamilton in the blank space to the right of the portrait. The image is visible from both sides of the note.

Color-Shifting Ink

Tilt the note to see the numeral 10 in the lower right corner of the front of the note shift from copper to green.

Additional Design and Security Features

Federal Reserve System Seal A black seal to the left of the portrait

represents the entire Federal Reserve System. A letter and number beneath the left serial number identifies distributing Federal Reserve
